Mrs. Karen F. Greenberg and Mr. Jaret,L, Vogel

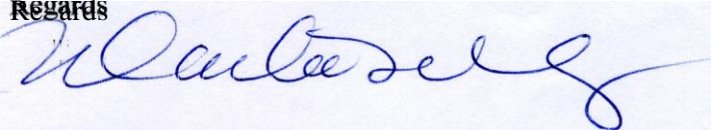

I am writing this letter to thank you for your support and help in establishing the special needs trust which was recently completed. I am very happy with the results and the lawyer that you recommended. I would also like to thank Mr Vogel for attending both meetings. He had very good questions for the lawyer.

I can see a ray of hope when people like you dedicate their time for such a worthy cause.

It is very hard to navigate the system and there is a lot of information out there but a lot of times it is very overwhelming. Your organization has given me a life saving rope.

Again, thank you very much for all your help and I hope you keep helping all families out there.

Regards
